RECEIVED

Dear Commissioners;

In October of 2008, newly retired, I moved from New York State to Ajo drawn by the beauty of the desert as well as the affordability of land and housing here. I bought a five-acre Veterans' Parcel on which sits a house, abandoned more than twenty years ago, which I hope to restore. The house once had electric service.

## UTILITY COMPLAINT FORM

---

When APS asked me to pay \$5,863., to have their transformer put back, I balked. New poles and power lines run right along my property but I can't afford to use them.  
Any help you might provide would be most appreciated.

Sincerely,

Michael J. Lillyquist
